GFWC Woman's Club of Plant City, Inc.

GFWC is one of the world's oldest and largest women's service organizations dedicated to community improvement through volunteer service.

GFWC clubs set their own agendas and work on projects and programs that address the specific needs of their communities.

GFWC clubs have access to tools and information that enable them to become effective grassroots advocates on public policy issues affecting families and communities.

GFWC clubs are actively involved in supporting public libraries and public school libraries.

GFWC clubs benefit from materials, resources, support, and technical assistance available exclusively to members.

GFWC members network and form lasting friendships with women across the country and around the world.

GFWC members of all ages have opportunities for personal growth and enrichment through leadership training and development.
